CERTUS is a proud supporter of military service member transitions to civilian careers by providing training and career development opportunities.

TRANSITION YOUR MILITARY SKILLS TO A REWARDING NEW CAREER

Do you want to put your military skills to new use, develop new experiences and continue building a future you can be proud of after serving your country? Consider a SkillBridge internship program as a Pest Control Service Technician.

The National Pest Management Association is a proud Department of Defense SkillBridge Partner dedicated to connecting you to a rewarding career in pest control after your military service.

THE INDUSTRY OFFERS

- ★ Diverse opportunities – from field technicians and customer service to sales and marketing, you can find the perfect match for your skills.
- ★ Meaningful work – protect and serve your community, public health and our food supply from harmful pests.
- ★ Stable career paths – pest control is an essential industry that will be in-demand as long as pests are problematic (that is to say, always!).
- ★ Competitive benefits – enjoy great salaries, benefits and growth potential with industry-leading companies.

THINK PEST CONTROL ISN'T FOR YOU? THINK AGAIN!

WHAT'S IN IT FOR YOU?

- ★ A career with many opportunities for professional and income advancement.
- ★ A local and national network for providing support, community and job transfer assistance.
- ★ A fast-track internship (only 60-90 days) that leads to immediate employment after your military service.
- ★ Maintain your military salary and benefits while you complete your 60-90 day program.
- ★ Receive training from experienced pest control technicians, business owners, and military veterans in pest control for guidance and support.
- ★ Full-time employment may be offered to candidates who successfully complete the program with an average salary range of \$45,000 - \$75,000*.
